

SOARING TO SUPPORT OUR TRANSFORMATION

STEWARDSHIP CAMPAIGN 2019-2020

The UUCLV congregation has given voice to our goals, what we will strive to accomplish in the next few years:

- **Provide greater opportunities for spiritual growth and stirring/engaging worship services;**
- **Work to enhance our commitment to individual and collective social action;**
- **Strengthen our commitment to being a truly “beloved community” that supports each other and fosters a true sense of belonging;**
- **Engage in increased outreach activities to promote greater awareness and visibility of the UUCLV;**
- **Strengthen internal structure and finances of the congregation.**

Together, embracing our goals, we’re stepping forward on our transformational journey! We’re aiming for 100% participation, a pledge from every member and friend, to help fund positive transformative changes at UUCLV!

Although our pledge giving has generally plateaued in the past few years, we know that taking significant steps forward means adding financial heft to our budget. We invite you to fully and enthusiastically participate in this year’s campaign, aware that it currently costs \$1,300 in pledge income, per member, to operate our church.

With your help, Stewardship will sponsor several pledge parties at diverse locations, open to all members and friends. Specific locations and times will be announced very soon, and we hope you’ll choose to attend one of them. Pledges this year will be made at the pledge parties, online, or in the community room on Sundays.

Thank you, as always, for your generosity to our congregation!

Karen West, Chairperson, Stewardship Committee
